AN ORDINANCE AMENDING ORDINANCE NO. 16 AND PROVIDING FOR THE INTERIM USE OF PRIVATE WASTEWATER DISPOSAL SYSTEMS

BE IT ORDAINED by the Board of Directors of the McKinleyville Community Services District, Humboldt County, California as follows:

Article III, Section 3.04 of Ordinance No. 16 is hereby revised to read as follows:

Section 3.04 Private Wastewater Disposal Systems. Where a public sewer is not available under the provisions of Section 3.03, or as determined by the Board of Directors, the building sewer shall be connected to a private wastewater disposal system complying with public health Ordinances of the County of Humboldt and applicable regulations of the California Regional Water Quality Control Board, North Coast Region.

The following shall be added to Article III, Section 3.04, Ordinance No. 16:

Section 3.04.1 Determination. Where in the opinion of the Board, public sewer service is not available in accordance with this Ordinance, due to the lack of treatment facilities capacity available to the District, approval may be given for the interim use of private Wastewater disposal systems.

Section 3.04.2 Application. When regular application is made for sewer service, and it is determined that treatment capacity is not available to provide service to the property, the owner must enter into an agreement with the District to provide for the following:

1. Apply for and secure a private wastewater disposal permit from the Humboldt-Del Norte County Health Dept. and/or Calif-

ornia Regional Water Quality Control Board.

2. Pay all applicable costs for the installation of a sanitary sewer connection.

3. Construct the building sewer within three (3) feet of the final connection point of the building.

4. Agree to abandon the private wastewater disposal system and make a final connection to the sanitary sewer within ninety (90) days of notice from the District that public sewer service is available.
