ORDINANCE NO. 26

AN ORDINANCE AMENDING ORDINANCE NO. 16
USE OF PUBLIC SEWERS AND DRAINS
INSTALLATION AND CONNECTION OF SANITARY SEWERS

BE IT ORDAINED by the Board of Directors of the McKinleyville Community Services District, Humboldt County, California, as follows:

Ordinance No. 16, Article VI, Section 6.10 is hereby amended to read as follows:

Section 6.10. Main Extension. The District will provide for all main extensions upon application for service. The applicant shall pay for the cost of the main to and across their frontage. Special provisions may be required for a corner lot or other irregular shaped lots and shall be determined by the Manager.

Normally the main shall be extended the same size as terminated or as a minimum eight (8) inch unless a waiver for short dead-end lines is allowed by the Manager, in which case a six (6) inch will be the minimum size required.

In the event the applicant is required to pay for the construction of a main extension across others property frontage where the property is already served by the District, the District may share in the cost of construction for that portion of the main extension, provided it is not a part of the applicants frontage. The District will share in the cost of construction only where it is the Managers opinion the applicant can not reasonably expect a refund as provided in Section 6.10.1 of this Ordinance.

The maximum District contribution toward construction costs will be fifty per-cent (50%) of the total construction cost, or One Thousand Two Hundred and Fifty Dollars (\$1,250.00), whichever is less.

The District will determine the fair and reasonable value for construction of said facilities.

The District will pay its share of construction costs when all facilities are completed in accordance with the District Standard Specifications and acceptance by the District.

The District will not be a party of any agreement, either verbal or written, by or between the applicant and their contractor.

The provisions of this section do not apply to Section 6.03 of this Ordinance.
