

ORDINANCE 52

**AN ORDINANCE OF THE MCKINLEYVILLE COMMUNITY SERVICES DISTRICT  
AMENDING THE DISTRICT'S RULES AND REGULATIONS ESTABLISHING  
A WATER CONSERVATION PROGRAM**

WHEREAS, Water Conservation will minimize the capital investment required to provide additional water supply and sewer treatment capacity;

WHEREAS, The District has evaluated the cost effectiveness of the available Water Conservation Practices and has selected those practices that are cost effective for McKinleyville.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE MCKINLEYVILLE COMMUNITY SERVICES DISTRICT DOES HEREBY ORDAIN AS FOLLOWS:

**Section 1.** The following Rule is added to the end of Regulation 15 in Article II - Water Service:

"Rule 15.04 Water Conservation - Starting in Fiscal Year 1995-96 and in every year thereafter, the District shall fund and implement a water conservation program intended to reduce total water consumption, peak rate water consumption, and total sewer hydraulic flow. The program shall include:

1. Contact with Humboldt County Building Department to inform the Department of State Law requiring enforcement of water conserving fixture units including the requirement for Ultra Low flush toilets in all new construction;
2. Quarterly transmittal of conservation inserts and notices that free leakage detection tablets, toilet tank displacement bags and low water use landscape guides will be available at the District office in the Districts Newsletter;
3. Annual funding for water distribution system audit, leak detection and leak repair;
4. Metering of all water connections in the water system.
5. Coordination with Humboldt County to develop water efficient landscaping standards for new construction.

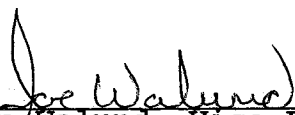

6. Promoting water conservation and explaining water conservation practices in every edition of the District's Quarterly newsletter.
7. Reviewing and commenting to Humboldt County on all pre site forms for new commercial and industrial development applications to encourage Humboldt County to require efficient water use as a condition of the County building permit.
8. Moving closer to a uniform commodity rate schedule as water rates are adjusted and ultimately adopting a uniform commodity rate structure.
9. Cooperating with Humboldt County to develop and implement guides to promote water efficient landscaping practices for new construction.
10. Designating the Manager as the District Water Conservation Coordinator.
11. Granting water charge credits to customers that fix leaks, pursuant to the adopted policy.

On the Motion of Director HARLING and seconded by Director ESTES, the foregoing ordinance is duly adopted this 11th day of August, 1994 by the following vote:
