Americans With Disabilities Act

McKinleyville Community Services District makes every effort to comply with the Americans with Disabilities Act. If you require special assistance for participation in our recreation programs, please notify staff at the time of registration or call 839-9003.

A Message from the General Manager

As families begin to settle back in to the new school year after a busy summer, this is a good time to reflect on all we have accomplished as well as, all we have to look forward to as residents of McKinleyville.

MCSD has been featured in a video for Districts Make the Difference, a program run by the California Special District Association (CSDA). The video will feature interviews with staff at various locations owned by the District. Now that the production is complete, the video is posted on our website and Facebook page for the community to view the finished product. You can also view it here: www.districtsmakethedifference.org

In addition to the video, I would like to share some other exciting news regarding CSDA. After serving two terms as CSDA Board Treasurer and one term as CSDA Vice President, I was selected to become the President of CSDA's Board for the 2018 calendar year. CSDA's website lays out the Board's responsibilities best, "The CSDA Board of Directors is the governing body responsible for all policy decisions related to CSDA's member services, legislative advocacy, education and resources. The Board of Directors is crucial to the operation of the association and to the representation of the common interests of all California's special districts before the Legislature and the state administration." It is an honor being given the opportunity to serve the association at this level.

In this issue of the Newsletter & Activity Guide, you will find information on the upgrade to the Wastewater Management Facility, an update on the Integrated Pest Management Plan, information on how to best turn off your water for projects or emergencies, as well as all of the recreational activities, events and programs this fall and winter.

If you are interested in becoming more involved in our Parks & Recreation offerings, please check out page 6 and learn about the Recreational Advisory Committee, which has a few vacancies.

This spring features a brand new event just for grown-ups, our first ever Brews by the Sea, A Festival of Hops and Grapes. If you are interested in helping to plan or volunteer at this event benefiting the Teen Center & the Boys & Girls Club of the Redwoods, please contact our Parks & Recreation Office. Stay tuned for more information.

Be sure to also explore the full listing of programs, classes, and events being offered this fall and winter by our Parks & Recreation Department.

I hope you enjoy all the wonderful autumn activities available here in McKinleyville.

Caught Being Good @ Hiller Dog Park

“Get caught being good!” McKinleyville Community Services District wants to thank and reward responsible dog owners who utilize the Hiller Dog Park. District Staff have embarked on a campaign to catch dog owners being good at the park. Various District staff will be visiting the park regularly, on the lookout for dog owners who follow posted leash rules, clean-up after their dogs (and other dogs too) and who are actively engaged with their dog ensuring that their pet is engaging in courteous behavior while at the park.

Dog owners who get “caught” will be given a thank you card and an opportunity to be entered into a quarterly drawing for a gift certificate at a local pet store. In order to be entered into the drawing dog owners will have to agree to be photographed and allow the District to use that photo to recognize them on the MCSD Facebook page.

District staff have received a number of complaints regarding unleashed dogs and problems associated with poorly behaved dogs at the park in recent months. This campaign is an effort to recognize and emphasize the importance of following the rules of the dog park in order to ensure that the park is safe and enjoyable for everyone. The Hiller Dog Park is a valuable asset to the community, and MCSD wants to make sure it continues to be a place where dogs and dog owners can socialize in a safe and welcoming setting.

As the Get Caught Being Good campaign gets going, District staff will be responsible for issuing cards and taking photos, however, any community member can catch someone being good and send a photo to the MCSD Parks & Recreation department for posting on Facebook and entry into the drawing. Community member submissions will require the name and email address of the person submitting the photo as well as the name and email (or phone number) of the individual who got “caught” being a responsible dog owner. These photos and information can be emailed to kirsten@mckinleyvillecsd.com.

Community members Jeff and Franziska Jefferies, pictured to the right, were “Caught Being Good” by keeping their dogs leashed from the parking lot to the Dog Park (which is West of the split rail fence).

MCSD would like to thank A&L Feed for the donation of our first reward.

Hiller Dog Park Rules

- DOGS MUST BE ON LEASH IN ALL AREAS EAST OF THE SPLIT RAIL FENCE (the playground is east of the fence) AND IN ALL AREAS WEST OF THE LOOP TRAILS (the ocean is west)
- OWNERS MUST CLEAN UP AFTER DOGS (dog feces are toxic to the environment and other animals. Disposal bags are available for your convenience, please use them)
- AGGRESSIVE DOGS MUST BE REMOVED FROM PARK
- DOGS MUST BE RESPONSIVE TO VOICE COMMANDS WHEN OFF LEASH (in designated off leash area)
- OWNERS ARE EXPECTED TO MONITOR THEIR PET'S BEHAVIOR CLOSELY
- POLITE AND COURTEOUS BEHAVIOR IS EXPECTED FROM ALL PARK PATRONS

McKinleyville Community Services District

Good day, residents of McKinleyville!

With the warm weather finally drawing to a near, many of us may be feeling the quietude of the cooler, darker months beginning to creep back in. Whether you have a routine job, work from home, go to school, or enjoy any of the other many alternative arrangements of living (including retirement), it is that time of year that inner-reflection starts to take hold on us—no matter how busy our lives may be.

Anyone who is from here or has lived here for more than a few years can see that our town has been expanding at a rapid rate, and with that comes the question of, “How is McKinleyville going to change?” It may be the case that there are no certain answers just yet, and only time will tell.... But one thing that is for certain is that we have organizations looking out for the wellbeing of our town, and many people are working very hard to ensure that our community will continue to improve and flourish. The McKinleyville Community Services District (MCSD) is one such organization.

For some brief background, this District was created on April 7th, 1970, when McKinleyville voters ruled in favor of its formation (589 vs 151 votes). At first, the District's main authority was in serving water and treating water wastes. Two years later, in 1972, the authority expanded to include lighting powers. In 1985, recreational powers were added to the list. Then, in 1995, residents decided with their votes to authorize the building of our McKinleyville Community Library.

This is all now included in the mission statement: “Provide McKinleyville with safe and reliable water, wastewater, lighting, open space, parks and recreation, and library services in an environmentally and fiscally responsible manner.”

You may wonder what exactly this entails. The services provided manifest in a number of ways. Let's take it from the top: safe and reliable water. In our community's early days (late 1800's), water came from private wells, but by the 1960's, it became evident that these private wells were no longer making the cut for community needs. As a result, MCSD (after its creation in 1970), with a state grant and low interest loan for funding, began the project of constructing a system-wide water distribution system. This system was a huge success, and currently provides water to all of McKinleyville except McCluski Hill.

As for wastewater, after numerous failures of private septic systems in the mid '70s due to “cumulative septic discharge exceeding the area's treatment capacity,” MCSD was tasked with the responsibility of building a community collective system connecting with a regional treatment facility. The first sewer collection system, born of a collaboration with MCSD and Humboldt County, served the community well from 1978 to 1983, when new grant funding and low interest loans assisted in the construction of the treatment facility by Hiller Road. The newest project in this area has been undertaken in the last decade, when newer, stricter regulations called for a technology based treatment system, which MCSD has been working on since 2008. The construction/improvement of the Wastewater Management Facility is seeing great progress.

In addition to collecting on streetlight charges-- and paying for lighting along portions of Central Avenue (which as we know, is quite the stretch), MCSD also provides the community with parks and recreational services. This portion of MCSD has its own mission statement:

“The mission of McKinleyville Parks and Recreation is to create community and increase quality of life through people, recreation programs, public facilities and parks.”

In any growing community, such services are truly invaluable-- providing health and wellness, recreational experiences, and special places for children and adults alike to enjoy their community. This all started with Measure B, originally voted on in 1992, which included a 20-year plan for funding the development and maintenance of public recreation facilities. These facilities include the McKinleyville Activity Center, Azalea Hall and Hiller Sports Site. In 1995, McKinleyville residents voted on the construction of our community Library at Pierson Park. At the end of the 20-year-duration, in 2012, Measure B was renewed, which gave rise to the funding and construction of the 6,000-sq. foot Teen and Community Center adjacent to the McKinleyville Activity Center in Pierson Park. Adding to all of this, MCSD regularly offers other recreational services as well, including youth sports, martial arts classes, junior high dances, canine training and obedience classes, and adult sports.

This is by no means an exhaustive descriptive of what MCSD does for our community, but hopefully it has provided at least a general idea and background for those interested. For more information, feel free to visit MCSD's website: mckinleyvillecsd.com-- and don't forget to pick up your newsletter! Thank you for reading, and may our great community continue to thrive and overcome all obstacles we may encounter along the way.

- KC Perry, a McKinleyville Resident and HSU Student, who completed this article as a part of a Writing and Service Class

Brews by the Sea, A Festival of Hops & Grapes

Save the Date April 21, 2018 for "Brews by the Sea, a Festival of Hops & Grapes" at Pierson Park. The first of what we hope will become an annual fundraising event to benefit the Boys & Girls Club of the Redwoods, McKinleyville Teen Center. This collaborative fundraiser, co-sponsored by Six Rivers Brewery, will bring a variety of beer and wine, food vendors and live music to the park from 1:00pm-5:00pm on Saturday, April 21, 2018. All proceeds from this festival of fine beverages will go toward supporting the Boys & Girls Club of the Redwoods McKinleyville Teen Club site.

Laser Tag

Sign up your team today, for this fun family event benefiting the Teen Center & the Boys & Girls Club of the Redwoods! Games will be 15 minutes long. While waiting to play your game or in between games, hangout in the Teen Center, play pool, ping pong, xBox, get some concessions, and learn all about what the Boys & Girls Club of the Redwoods is all about!

Date: November 11, 2017

Time: 6:00pm to 9:00pm

Location: McKinleyville Teen & Community Center and Activity Center

Who: Family teams of 2 (only one Adult per team)

Cost: \$25 for a team of 2

Register: In person at 1656 Sutter Rd. or Online at rec.mckinleyvillecsd.com

Recreational Advisory Committee Vacancies

The McKinleyville Community Services District (MCSD) announces one regular voting member and two alternate member vacancies on the Recreation Advisory Committee (RAC).

The purpose of the RAC is to make recommendations to the MCSD Board of Directors regarding plans, policies, programs, and projects relating to McKinleyville's parks, facilities, open space maintenance zones and recreation activities.

The current vacancy terms are for two years. Members must be a resident within the MCSD service area and are appointed by the MCSD Board of Directors. Interested individuals should file a letter of application/interest that states their desire for serving on the RAC and qualifications for doing so.

Letters of interest may be mailed to the MCSD, Attn: Lesley Frisbee, P.O. Box 2037, McKinleyville, CA 95519. For additional information, please contact the Parks & Recreation Office at 839-9003. Recreation Advisory Committee meetings are held on the third Thursday of each month at 6:30 pm at the MCSD Conference Room (1656 Sutter Road) and the public is welcome to attend.

RAC Member Charlie Caldwell volunteering his time to teach Kids Camp campers how to skate this summer!

Don't Touch That Angle Stop!!

So you need to do a little plumbing work on your house, but you quickly figure out that if you don't turn off the water, you'll end up wetter than you intended! You decide to turn off the water at the meter. How hard could it be, right? You go to your water meter and start to turn the angle stop....*snap*. You turn it left, then right – but it doesn't seem to be doing anything.

The next step is to call the water district for help, but you are given the following facts:

1. You've broken the angle stop.
2. The angle stop is District property.
3. You are now responsible for the substantial cost of repairing it.

Unfortunately, this story is all-too-familiar to us here at the District. The question is “What can you do instead?” First and foremost, do NOT attempt to operate the angle stop at the meter! This is District property and is only intended to be operated by trained District personnel.

Instead, please consider the following alternatives:

Do you have a well on the property? If so, the well is required to have a double-check valve. This valve has a component that allows you to turn off the water to everything past the check valve.

If the plumbing problem is inside the house, look for a shut-off valve at the base of your house. This is usually located below a hose-bib where your water line first meets your house.

If neither of those cases apply, call the District office during business hours (9:00 am – 5:00 pm Monday through Friday). The District staff will come out and turn the water off for you. The cost of this service (turning the water off and turning it back on when you are ready) is \$40 during business hours. After hours or on a weekend, the call-out charge is \$150. However, both charges are MUCH cheaper than the cost to repair a broken angle stop!

Looking to avoid the call-out charge in the future? We recommend that, while you are in plumbing repair mode with the water turned off, you also install a shut-off valve just past the meter on the customer (your) side. This will allow you to turn the water off yourself at any time without risking damage to the District's equipment.

We understand that any planned (or unforeseen!) circumstances that involve working on your home's water system can prove stressful. We here at McKinleyville Community Services District desire that work go as smoothly for you as possible so please heed our warning. Give us a call if you need us...and don't touch that angle stop!

IPM Update

MCSD is committed to providing a safe and healthy environment for the community and users of MCSD facilities. MCSD is in the process of creating a District-wide Integrated Pest Management (IPM) Plan. IPM is a strategy that focuses on the long-term prevention of pests and their damage through a combination of biological, mechanical, cultural, physical and chemical control methods in a way that minimizes economic, health and environmental risks.

Per Board direction, staff members created an IPM Policy Statement to guide the formation of the IPM Plan. The Policy Statement was approved at the May 13, 2015 Board Meeting. Staff developed the Plan using the Board approved Policy Statement as a guide while addressing previously submitted comments. Staff then created and presented the MCSD IPM Guide to Reduced Toxicity Pesticide List with Appendices to the Board of Director's August 2, 2017 Meeting. These documents and appendices can be viewed on our website at mckinleyvillecsd.com/integrated-pest-management-plan.

Wastewater Treatment Plant Upgrade Update

In January 2012 the District completed a 20 Year Wastewater Facilities Plan. The Plan identifies a series of upgrades to the District's existing wastewater treatment plant including portions of the effluent disposal system. The improvements will address the needs for the facility through the year 2030. The Plan recommends replacing the existing facultative lagoon system with an in-basin extended aeration system.

The Wastewater Management Facility improvements include a new headworks facility; aeration basins; a blower/electrical/maintenance building; two new secondary clarifiers, including return activated sludge/waste activated sludge (RAS/WAS) pumping; and a biosolids storage basin.

Site work began in March of 2016 and is wrapping up. Aquality has been hired by Auburn to start the new plant process. Seed sludge was hauled in to provide bug growth in the aeration basins (see photo below). At this time, Aquality is trying to dial in the process to prepare for the 30-day acceptance which started at the end of August. The main tie-ins that redirect the pump station flow to the new headworks, have been completed. All concrete flatwork was completed in August and subgrade preparation for blacktopping and overlay are nearing completion. System integration is in process and will develop as equipment is installed and tested. Staff has been attending training on running the new plant and will continue to train as progress takes place. The time lapse camera footage is still being collected and will continue through the construction phase. Weekly meetings have been held to discuss progress and scheduling. Following completion of the new upgrade, a video will be made from the snapshots.

Registration Information
 Register in person at the Parks & Recreation Office at 1656 Sutter Road. Registration forms are also available on our website: www.mckinleyvillecsd.com. **Residents (R) are those persons living or owning property inside the MCSD Boundary. All others pay a non-resident (NR) fee.*

Online Registration Available 
 Look for the “tablet” to find out which of our programs offer online registration! Click on the links to **Online Registration** on our website or go to rec.mckinleyvillecsd.com to register!

Facilities & Facility Rentals

We have facilities available to rent for all your special event or meeting needs. For information regarding rental policies and procedures, please contact the Parks and Recreation office at 839-9003, or check out our website at www.mckinleyvillecsd.com/facility-rentals.

Parks & Picnic Area Rentals

We have park picnic areas available to rent for all your party needs. Each picnic area is equipped with tables and a BBQ. For more information, please contact the Parks and Recreation office at 839-9003, or check out our website at www.mckinleyvillecsd.com/park-rentals.

Birthday Parties

Book your child's next birthday party with us! Private parties are scheduled around other programs at the Activity Center. Choose from a roller skating, basketball, indoor soccer, dodgeball, floor hockey, Teen Center or a Playgroup Toddler Party!

McKinleyville Activity Center or Teen Center | Call for scheduling
Starting at \$175 for 20 Participants

13th Annual Humboldt Hoops Youth 3 on 3 Basketball Tournament

Sign up your team for our 13th annual Humboldt Hoops Youth 3 on 3 Basketball Tournament starting November 1st!!! This tournament is a benefit for Youth Scholarships and Fee Reductions. The tournament fee is \$140 per team (3 to 5 players). All teams must sign up on or before March 16, 2018.

The tournament Kick Off Meeting happens on Friday, March 23, 2018 at 4:00 pm. Games will take place after that meeting and through Saturday, March 24, 2018. The Divisions are Boys: 3rd & 4th grade, 5th & 6th grade, 7th & 8th grade, 9th & 10th grade, 11th & 12th grade; and Girls: 3rd & 4th grade, 5th & 6th

grade, 7th & 8th grade, 9th & 10th grade, 11th & 12th grade. Teams must have at least 3 and no more than 5 players on the roster. Games will be played at the McKinleyville Activity Center, Morris Elementary Gym and McKinleyville Middle School Gym.

Registration begins November 1, 2017.

Youth Basketball League

Our Basketball League offers boys and girls in 3rd-12th grades a chance to play in a fun recreational basketball league this upcoming winter. Separate divisions are for boys and girls in the following grade groups: 3rd-4th, 5th-6th, 7th-8th. We also offer a co-ed division for 9th-12th graders. Games are played on Saturdays, and there is one evening practice scheduled each week. **The Registration Deadline is Friday, December 1st.** A \$15 late fee will apply after December 1st, if space is still available. Sign Up Early!!!

Volunteer Coaches and Team Sponsors are encouraged to contact the Recreation Department early in the registration period.

Boys & Girls 3rd-12th Grade | McK Activity Center | \$65R/\$70NR
League: Jan. 13-March 10 (No Games 2/24) | Sa | Various Times
Practices: Begin Jan. 8th | Skills Assessments: Dec. 2nd

Fit to Win Camp

This basketball camp is for boys and girls in 3rd to 6th grades. Each player will go through a progression of skills focusing on the triple threat: shooting, passing, and dribbling. Please bring a snack! Space is limited in this great camp that helps warm you up for the Youth Basketball League, so register early!

McK Activity Center | Dec. 9 | Sa | 9:30am-noon | \$20

Hot Shots Competition

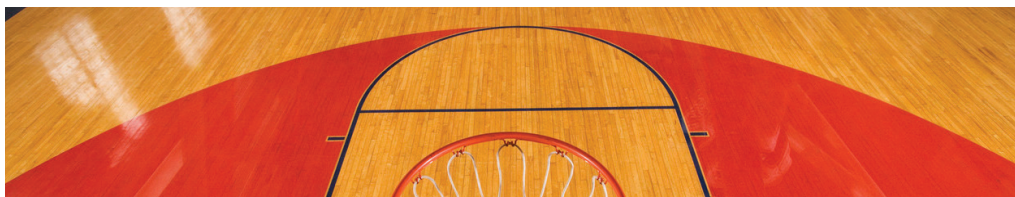

This unique basketball competition pits two player teams against each other in a seven spot shoot out! Each team has one minute to score as many points as possible from seven different shooting spots each with a different point value. Teams will be divided by gender and grade. **Register by Friday, Feb. 15!**

Girls and Boys 3rd-8th Grade | McK Activity Center
Feb. 15 | Th | 6:30pm-8:30pm | \$15/team

Brazilian Jiu Jitsu

Through the principles of Gracie Combatives students will learn that commitment, respect, focus, self-discipline, hard work and effort will make for positive rewarding experiences. Classes will focus on learning the fundamental techniques of Brazilian Jiu Jitsu and applying them. These classes will not only focus on beginners but the more advanced student as well. Here they can sharpen and refine their basic techniques under instructor Rodrigo Fanti, a black belt trained professional.

5 to 13 years old | McK Activity Center | \$65R/\$70NR

April 12-June 14 | 6:30pm-9:30pm | \$80/team

North Coast Agility & Dog Training

Instructor Sally Dunn competes at the “Excellent” level and has taught obedience, both formal and family, for over 20 years. The Rally Obedience class is for those looking to or already are competing in the sport of Rally Obedience. The class is a great way to sharpen your dog’s skills in the obedience ring and beyond!

Rally Obedience | Azalea Hall | T | 5:30pm-6:30pm
Oct. 10-Nov. 14 | \$75R/\$80NR
Nov. 21-Dec. 12 (4 weeks only) | \$50R/\$55NR
Jan. 2-Feb. 6 | \$75R/\$80NR
Feb. 20-March 27 | \$75R/\$80NR

Delilah’s Top Dog

Instructor Delilah Huck has been teaching people to train their dogs for over 30 years. The Puppy Training class is perfect for new puppy owners to learn the tools for solving problems like digging and chewing, as well as teaching your puppy to come, sit down, stand, walk on loose lead, not jumping and go to bed. The Basic Obedience class helps to teach owners to become the leader in their relationships with their dogs, by teaching them to heel on a leash, down stay, sit stay and keep your dog’s attention around distractions. **Classes may be combined and meet from 6-7pm.*

Puppy Training | Azalea Hall | M | 6pm-7pm
Basic Dog Obedience | Azalea Hall | M | 7pm-8pm
Nov. 6-Dec. 11 | \$75R/\$80NR
Jan. 8-Feb. 12 | \$75R/\$80NR
March 5-April 9 | \$75R/\$80NR

Advertisements

Place your Advertisement Today! We direct mail this full color guide to over 5,000 McKinleyville residents and it is available to pick up at many locations throughout McKinleyville. It is also viewed on our website and is emailed to over 1,500 of our customers. Three Newsletters and Activity Guides come out each year and you can advertise in all three for as little \$160!!! Call the office today to place your ad at 707-839-9003.

Leisure Class Instructors

Programs can be offered for all ages; including toddlers, children, teens, young adults, adults, and seniors. We are typically seeking the following programs... arts, crafts, cooking, dog obedience, dancing, martial arts, yoga, music and more. If you have an idea but aren’t sure we’ll be able to use it, call us at the Parks & Recreation Office at 839-9003 and ask!
