A Message from the Board President

2016 is going to be an exciting year here in McKinleyville. The McKinleyville Community Services District Board of Directors and staff are proud of the work they do to provide McKinleyville with safe and reliable water, wastewater, streetlights, open space, parks and recreation, and library services in an environmentally and fiscally responsible manner.

As the new Board President, I would like to spend some time letting you know about the projects we are working on this year. The District is supervising construction of a new sewer plant and a new teen center. MCSD Board and Staff are actively investigating the possible construction of a solar farm to power the new sewer plant. MCSD just finished installing all new, LED street lights and is continuing to swap out the old water meters for state-of-the-art, digital, radio-read meters. Recently, the exciting possibility of acquiring a community forest came to the District's attention. MCSD is overseeing the conversion of the Mad River percolation ponds to off-stream habitat for Coho salmon. MCSD's public parks are pesticide free and the District continues to work on an Integrated Pest Management Plan. The hay grown on the Fischer Ranch has been certified organic. And how about the new, pickle ball drop in! There is much to be proud of and I hope you are pleased with MCSD's efforts. None of this happens without your support. As the president of the MCSD Board of Directors and on behalf of the MCSD Staff, we thank you for the work. It's our pleasure to serve you.

-President George Wheeler

Community Builder Award

The "Community Builder Award" is an award the District presents to local individuals, businesses, and organizations for their volunteer service, sponsorship, promotion of programs and events, outstanding service in the interest of the District, and for other contributions significant to McKinleyville's quality of life.

District staff has identified Supervisor Ryan Sundberg as a worthy individual to receive the award.

Ryan Sundberg was born and raised here in Humboldt County, having gone to school here, played sports, attended college and served as an elected official for both the Trinidad Rancheria Tribal Council and the Humboldt County Board of Supervisors. His roots are buried deep and this is reflected in the manner that he cares about this area and it's people.

He leads by example and listens with an open mind when community members speak out. He believes everyone in a community has something to contribute and is always open to new and innovative ideas.

Supervisor Sundberg provides continual support and dedication to McKinleyville from paying for garbage removal to assist the McKinleyville Community Watch to support of agencies such as the McKinleyville Organizing Committee and the Family Resource Center.

Employee of the Year

Each year, McKinleyville Community Services District (MCSD) employees vote for Employee of the Year. This award and recognition was started by Norman Shopay in 2009 and has been continued due to overwhelming staff support. The Employee of the Year is chosen through a secret ballot by their peers and judged on merit of the employee's contributions to MCSD.

The Employee of the Year must be a person who has brought about significant positive change, one who eliminates obstacles in achieving District goals and objectives, is resourceful, contributes constructively, innovates, exceeds expectations, inspires others, and proactively identifies and resolves challenges.

Above from left: General Manager, Gregory Orsini; Director David Couch; Human Resource & Payroll Manager, Diane Sloane; Director Dennis Mayo; Board President, George Wheeler; Director John Corbett

The 2015 Employee of the Year honor was awarded to Diane Sloane, who truly exemplifies the qualifications required. Diane can be counted on to put forth effort beyond standards and her candor is valued by her supervisor and management.

Diane's first day of work for the District was February 27, 1995. She was hired as an Accounts Payable Clerk, soon thereafter learned payroll processing and became the Assistant Business Manager. Diane was promoted to Human Resources & Payroll Manager in June 2004. In 2015, Diane celebrated her 20th year with the District.

Prior to working at the District, Diane spent 12 years in banking. She strives to be friendly and provide professional and accurate information to District staff each day.

Diane will hold this distinction for the 2016 calendar year, and a new Employee of the Year will be chosen at the end of 2016.

Wastewater Treatment Plant Upgrade

Above: General Manager, Gregory Orsini gives a speech at the Groundbreaking Ceremony

needs for the facility through the year 2030. The Plan recommends replacing the existing facultative lagoon system with an in-basin extended aeration system.

The Wastewater Management Facility improvements include a new headworks facility; aeration basins; a blower/electrical/maintenance building; two new secondary clarifiers, including return activated sludge/waste activated sludge (RAS/WAS) pumping; and a biosolids storage basin.

A time-lapse camera was installed at the plant. It will take snapshots daily to chronicle the progress of construction. Following completion of the new upgrade, a video will be made from the snapshots. For more information on this project please visit: <http://mckinleyvillecsd.com/wastewater-management-facility>.

Inflow & Infiltration

Two things to think about as we experience this wet weather as it pertains to the sewer collection system and the treatment process are Inflow and Infiltration. Infiltration is groundwater that gets into the sewer from leaks in pipes and manholes. Inflow is a different subject. Inflow is when unauthorized storm water is being diverted into the sewer collection system, such as pulled cleanout and rain gutters tied into the sewer laterals etc. District staff inspects manholes during the winter when flows are high. They are looking for leaks in manhole walls and flow discrepancies in the channels. Infiltration is repaired by District staff to eliminate extra costs in treating and pumping.

In 2012, during our last wet winter, staff discovered and stopped approximately 207,000 gallons per day of water from infiltrating our collection system. Granted this amount of flow is only present when rains are at their heaviest and ground water levels are very high. We have used some known values and conservative estimations to put a dollar value on this operation. According to the FY 2013/14 audit; collecting, transferring, treating and discharging 193 gallons of water cost MCS D's rate payers \$1.00. If 207,000 gallons per day of infiltration were present for 90 days per year we are saving at least \$90,000 per year.

District staff also inspects for illegal discharge into the collection system (inflow). As rate payers, there are some things you can do to help: First, verify that your gutters are not tied into your sewer laterals. Second, verify your cleanouts are capped or plugged properly to avoid water from entering your lateral. Last but not least, if you notice that you or your neighbor's yard is impacted with a lot of rain water but it quickly drains, this could mean there is a cleanout without a cap or there is a broken lateral. Please inform the District of these findings. Rain water belongs in the storm drain and not in the sewer collection system.

District staff installs flow monitoring devices in manholes where flow is abnormally high to pinpoint the area or house that the inflow is generated from. Smoke testing is also done to find these problem spots. With your help we could minimize the unnecessary pumping and treatment of rain water. As you can see by the previous example, every bit of water adds up, which burdens the rate payers of McKinleyville C.S.D.

Teen & Community Center Update

Have you driven down Gwin Road recently? The McKinleyville Teen & Community Center is finally becoming a reality! Watching the construction happen has really brought to life the exciting opportunities this new facility is going to bring to McKinleyville. The staff at McKinleyville Parks & Recreation is very excited about the new facility and the fact that it will be a new site for Boys & Girls Club of the Redwoods Teen Programs.

Construction of the facility is moving according to schedule and is slated to be completed in April of this year. Once the construction is complete, the next step will be setting the facility up for programming and activities. McKinleyville Community Services District (MCSD) and

Boys & Girls Club of the Redwoods (BGCR) have been developing a partnership in tandem with the development and construction of the facility over the last few

years. Both organizations are committed to making sure young people in this community have access to a safe and dynamic place to socialize with their peers. Both organizations strive to provide a variety of activities and experiences aimed at helping our youth succeed in becoming productive and engaged citizens. In the last six months the partnership has been working diligently to draft a business plan and Memorandum of Understanding to guide the long term sustainability of the partnership.

As you may or may not know the construction of the facility is funded through local ballot Measure B, but the furnishings, equipment and supplies for programs and activities must be funded through grants, donations and community support. The MCSD Parks & Recreation Department has a fundraising goal of \$110,000 to furnish and equip the interior of the facility which includes the commercial kitchen, the classrooms/multipurpose room, the lounge/games area, the music room and recording studio. Currently \$42,000 has been raised towards that goal. You can help raise the funds needed by making a donation and earning a leaf on the Giving Tree that will "grow" in the lobby of the facility. (see page 7 for information on how to donate)

Photo Above: View of the front of the building, just to the right is the McKinleyville Activity Center. Workers lay the concrete entryway to the front of the building, after the siding was completed.

Top Photo: The roof of the Lobby/Game Area is painted after the windows and drywall were installed. Bottom Photo: Workers finish up placing the siding on the Back side of the Building.

Pints for Non-Profits

Join McKinleyville Community Services District Parks & Recreation and the Boys & Girls Club of the Redwoods

**at Six Rivers Brewery on May 12th
for Pints for Non-Profits**

\$1.00 for every pint sold will go towards the Boys & Girls Club of the Redwoods Teen Center operations in McKinleyville!!!

Giving Tree

When you think back on your teenage years, you probably remember the fun times you had with your friends in high school, learning to drive, or going on your first date. If you were to think about how much you grew, changed and matured over those years you probably had at least one role model who helped you along the way. What better way to honor their guidance than by giving back to our community's teenagers?

Generosity is not an Act but a Habit. Businesses, organizations, as well as individuals can all memorialize a loved one, recognize a special date, or share a message for generations to come by donating a leaf to the Giving Tree. Purchasing a leaf will help support the fundraising efforts to furnish the Teen & Community Center. Purchasing a leaf is your opportunity to leave a lasting legacy for the youth in our community.

With four different leaf options, there is leaf for everyone. A Copper leaf is a donation of \$100 to \$249.99. For a donation of \$250 to \$499.99, you will receive a Bronze leaf. A Silver leaf is for a donation of \$500 to \$999.99. A Gold leaf is a donation of \$1,000 or more.

The Giving Tree will continue to grow over the years as we unravel our long term fundraising plan for programing with the Boys & Girls Club of the Redwoods.

McKinleyville Teen & Community Center Giving Tree Donation Form

Parks & Recreation

Please complete this donation form and return it in an envelope with your payment to the McKinleyville Parks & Recreation office at 1656 Sutter Road in McKinleyville or mail it to McKinleyville Parks & Recreation, PO Box 2037, McKinleyville, CA 95519.

McKinleyville Youth Sports Success -A Product of Community Support

Article By Jens Andersen, Recreation Coordinator

It's easy to take for granted the opportunities available for the youth in our community to participate in youth sports programs. Behind the scenes are working moms and dads who dedicate their precious time to coaching our children. Local organizations and small businesses sponsor teams by donating to our sports leagues. Without these volunteer coaches and team sponsors, our area youth would not be able to participate in these programs.

I often wish I could put into words how valuable volunteer coaches and team sponsors are to our community. They deserve our appreciation. Without volunteer coaches and team sponsors, the cost of running a youth sports program would make registration fees out of reach for many families. There are businesses and coaches that have been pillars in our community year after year, season after season, supporting the sports leagues that our children are fortunate enough to play in. You know who you are and we as a community owe you a sincere thank you!

Volunteer coaches are just like you and I. They often have busy work schedules, children to care for and bills to pay. It takes a special kind of person to muster the energy and often times courage, to run a practice on a weekday evening or coach a game on Saturday. Local businesses and organizations face the challenges of operating on tight budgets yet still find the resources to support leagues by sponsoring teams. The community of McKinleyville should be proud to know that our children benefit because we work together.

Seeing the smiles on kids faces and watching them hustle up and down the court in their team colors is evidence of our success as a community in coming together to offer affordable sports programs. Kids deserve the chance to meet new people, make new friends, compete in a safe and friendly environment, to feel good about themselves and to even take for granted that they live in a community where the grown ups care enough about them to voluntarily dedicate their time and money so that they have the opportunity to play.

Staying Connected With MCSD

Article by Brian Anspach, Geographic Information System (GIS) Technician

McKinleyville Community Services District offers several social and multi-media sources to follow day-to-day news, events and information of interest. Subscribing to one or more of MCSD's social media channels is a great way for customers, seniors, teens, community members and recreation participants to stay up to date and connected.

The MCSD website, mckinleyvillecsd.com, is a great source for news, announcements, public information, and links to District and community resources. The website offers customers the ability to review and pay your bill online. Once you sign up to pay your bills online, you can sign up for e-bills and auto-pay. Customers will also have access to their payment and usage history. The website also provides links to the District's departments, MCSD Facebook page, McKinleyville Interactive Map, general information, public records and employment opportunities within the District.

The website also offers customers and community members the chance to sign up for e-mail and cell phone notifications. E-mail notifications include weekly summaries of events, announcements and meetings and document notifications such as board agendas and other public documents. Customers can also sign up to receive alerts and notifications directly to their phone.

The MCSD Facebook page is a great way to stay connected and informed of community announcements, upcoming events, dances, job announcements, recreational sports and tournaments. Check it out here: facebook.com/McKinleyvilleCommunityServicesDistrict. People who follow MCSD on Facebook will be kept up to date on all MCSD news and events!

IPM Update

MCSD is in the process of creating a District-wide Integrated Pest Management (IPM) Plan. IPM is a strategy that focuses on the long-term prevention of pests and their damage through a combination of biological, mechanical, cultural, physical and chemical control methods in a way that minimizes economic, health and environmental risks.

Per Board direction, Staff members created an IPM Policy Statement to guide the formation of the IPM Plan. The Policy Statement was approved at the May 13, 2015 Board Meeting. Staff developed the Plan using the Board approved Policy Statement as a guide while addressing previously submitted comments from the public. View the latest Draft of the Plan here: <http://mckinleyvillecsd.com/integrated-pest-management-plan>

Staff will now work on creating a matrix to be used in conjunction with the plan. We are accepting examples of other agencies matrices or suggestions on the matrix from the public. These examples and suggestions MUST be submitted to ipm@mckinleyvillecsd.com by February 19, 2016 to be considered.

Registration Information

Register in person at the Parks & Recreation Office at 1656 Sutter Road. Registration forms are also available on our website: www.mckinleyvillecsd.com. **Residents (R) are those persons living or owning property inside the MCSD Boundary. All others pay a non-resident (NR) fee.*

Online Registration Available

Look for the “mouse” to find out which of our programs offer online registration! Click on the links to **Online Registration** on our website or go to rec.mckinleyvillecsd.com to register!

Facilities & Facility Rentals

We have facilities available to rent for all your special event or meeting needs. For information regarding rental policies and procedures, please contact the Parks and Recreation office at 839-9003, or check out our website at www.mckinleyvillecsd.com/facility-rentals.

Parks & Picnic Area Rentals

We have park picnic areas available to rent for all your party needs. Each picnic area is equipped with tables and a BBQ. For more information please contact the Parks and Recreation office at 839-9003, or check out our website at www.mckinleyvillecsd.com/park-rentals.

Birthday Parties

Book your child's next birthday party with us! Private parties are scheduled around other programs at the Activity Center. Choose from a roller skating, basketball, indoor soccer, dodgeball, floor hockey or a Playgroup Toddler Party!

McKinleyville Activity Center | Call for scheduling
Starting at \$150 for 20 Participants

IIth Annual Humboldt Hoops Youth 3 on 3 Basketball Tournament

Sign up NOW for our 11th Annual Humboldt Hoops Youth 3 on 3 Basketball Tournament!!! This tournament is a Benefit for Youth Scholarships and Fee Reductions. The Tournament fee is \$125 per team if signed up by March 11, 2016. After March 11th the fee is \$140 per team. All teams must sign up on or before March 18, 2016.

The tournament Kick Off Meeting happens on Friday, April 1, 2016 at 4:00 pm. Games will take place after that meeting and through Saturday, April 2, 2016. The Divisions are Boys: 3rd & 4th grade, 5th & 6th grade, 7th & 8th grade, 9th & 10th

grade, 11th & 12th grade; and Girls: 3rd & 4th grade, 5th & 6th grade, 7th & 8th grade, 9th & 10th grade, 11th & 12 grade. Teams must have at least 3 and no more than 5 players on the roster. Games will be played at the McKinleyville Activity Center, Morris Elementary Gym and McKinleyville Middle School Gym.

PeeWee Basketball League 🖱️

Our PeeWee Basketball League offers boys and girls in K-2nd grades a chance to play in a fun recreational basketball league this spring. We offer separate co-ed divisions for Kindergarten and for 1st-2nd. Games and practices are on Saturdays, the practice is the first half hour followed by a half hour game. **The Registration Deadline is Friday, April 1st.** A \$15 late fee will apply after April 1st, if space is still available. Sign Up Early!!!

Volunteer Coaches are encouraged to contact the Recreation Department early in the registration period.

Boys & Girls K-2nd Grade | McKinleyville Activity Center
League Begins April 16 | Sa | Various Times | \$65R/\$70NR

All Star Basketball Camp 🖱️

This basketball camp is for boys and girls in K to 2nd grades. Each player will go through a progression of skills focusing on the triple threat: shooting, passing, and dribbling. Please bring a snack! Space is limited in this great camp that helps warm you up for the Pee Wee Basketball League, so register early!

Girls & Boys K-2nd Grade | Sa | April 9
McK Activity Center | 9:30am-noon
\$20R/\$25NR per Child

Hot Shots Competition

This unique basketball competition pits two player teams against each other in a seven spot shoot out! Each team has one minute to score as many points as possible from seven different shooting spots each with a different point value. Teams will be divided by gender and grade. **Register by Friday, Feb. 26!**

Girls and Boys 3rd-8th Grade | McK Activity Center
Feb. 26 | F | 6:30pm-9:30pm | \$15/team

KinderSports Soccer

This co-ed introductory program introduces your child to the basic skills of Soccer. Build up your child's sense of teamwork and sportsmanship by signing them up for this fantastic program.

April 23, 30; May 14, 21

f facebook.com/youthdrivenmcsd

Junior High Dances

Join us for an evening of fun and dancing! A student body ID card and legible dance contract are REQUIRED. Admission fees are collected at the door. Pre-sale tickets are HIGHLY Recommended!!! Pre-sale tickets are \$10. Tickets purchased at the door are \$15 dollars.

6th-8th Grade | McK Activity Center
7:00pm-9:30pm | F | Mar. 18, May 20

Pre-sale: \$10, At the Door: \$15

Leader-in-Training

Get a jumpstart on developing leadership skills in this great work experience program for teens age 13 to 15. LIT's serve at the Kids' Camp Summer Day Camp program as assistants to our Recreation Leaders; helping lead games, teaching arts & crafts, leading song circles, and more. The LIT Program is a great way for teens to gain valuable work experience in a fun and supportive atmosphere. Pre-registration is required. LIT's must commit to a minimum of 3 full weeks of camp. Full day or half day scheduling is available. LIT's must attend pre-camp training in order to be eligible to be scheduled for shifts.

Service and Leadership look great on resumés and job applications. Several former LIT's have become paid Recreation Leaders at McKinleyville Parks & Recreation. Take advantage of this great learning opportunity. Pick up your application at the Parks & Recreation office or download it from our website!

Boys & Girls 13-15 years old | McK Activity Center | M-F | Free

June 20-August 19 | LIT Applications must be turned in by May 20, 2016

Community Garden

Join the Community Garden Committee! Its a great way to meet new people and get involved in your community. Call us today for more information and to reserve your very own garden space at the Pierson Park Community Garden. \$20 annually for 3' by 10' plot.

Lawn Games in the Park

Join us every Thursday evening in July & August at Pierson Park with your family to play classic and new Lawn Games, such as Cornhole & Spikeball! Bring a picnic dinner and the whole family to these fun, free evenings in the Park!

North Coast Agility & Dog Training

Instructor Sally Dunn competes at the "Excellent" level and has taught obedience, both formal and family, for over 20 years. The Rally Obedience class is for those looking to or already are competing in the sport of Rally Obedience. The class is a great way to sharpen your dog's skills in the obedience ring and beyond! The class max is 8.

Rally Obedience | Azalea Hall | T | 5:30pm-6:30pm
Feb. 23-March 29 | \$75R/\$80NR
April 12-May 17 | \$75R/\$80NR

Instructor Jennifer Eichstedt's classes are perfect for dogs of all ages! The class maximum is 8. The Doggie House Manners class is designed to work on specific, practical and fun skills. In this class dogs will play games, learn how to go to their bed and other house manners to make for a harmonic living environment for both dog and owner. Dog Tricks is a fun and engaging way for dogs and their handlers of all ages to learn a variety of commands not usually covered in an obedience class. Have fun with your dog and develop skills that will help your dog learn! Your dog will learn skills such as: rollover, high five, sit up, crawl, bow, and get in a box. Class maximum is 8.

Doggie House Manners | Azalea Hall | T | 6:30pm-7:30pm
Feb. 23-March 29 | \$75R/\$80NR

Dog Tricks for Treats | Azalea Hall | T | 6:30pm-7:30pm
April 12-May 17 | \$75R/\$80NR

Delilah's Top Dog

Instructor Delilah Huck has been teaching people to train their dogs for over 30 years. The Basic Dog and Puppy Training class is perfect for new puppy owners to learn the tools for solving problems like digging and chewing, as well as teaching your puppy to come, sit down, stand, walk on loose lead, not jumping, and go to bed. The Basic Dog and Puppy Training class helps to teach owners to become the leader in their relationships with their dogs, by teaching them to heel on a leash, down stay, sit stay, and keep your dog's attention around distractions.

Basic Dog & Puppy Training | Azalea Hall | M | 6pm-7pm
March 7-April 11 | \$75R/\$80NR
May 2-June 13 (no class May 30) | \$75R/\$80NR
July 11-August 15 | \$75R/\$80NR
